ESTABLISHMENT OF PRINCIPLES FOR THE ELECTION COMMITTEE AND ELECTION OF MEMBERS OF THE ELECTION COMMITTEE, item 14

Proposal for election of and principles for the Election Committee:

The Election Committee's proposal for members is based on previously applied principles for the composition of the Election Committee, namely that the Election Committee shall consist of the Chairman of the Board plus four others nominated by the four largest shareholders in terms of votes, as far as can be ascertained from the register of shareholders, other than the shareholder the Chairman of the Board may represent. In other aspects, the proposal is also based on previously applied principles. The Election Committee's proposals for the election of members of the Election Committee are based on shareholdings as at 28 February 2013.

The Election Committee proposes that the 2013 Annual General Meeting passes the following resolutions.

1. That the Annual General Meeting appoint the Chairman of the Board, Lottie Tham, Liselott Ledin (nominated by Alecta), Jan Andersson (nominated by Swedbank Robur fonder) and Anders Oscarsson (nominated by AMF and AMF Fonder) as the Election Committee. This Election Committee shall take up its duties immediately. Its term of office shall continue until a new Election Committee is appointed.
2. No fees shall be paid to the members of the Election Committee. The Election Committee may charge to the company any reasonable costs for travel expenses and investigations.
3. Unless the members of the Election Committee agree otherwise, the chairman of the Election Committee shall be the member representing the largest shareholder.
4. The Election Committee shall submit proposals to the 2014 Annual General Meeting for:
 - a) election of the chairman of the meeting
 - b) resolution on the number of Board members
 - c) resolution on Board fees for the Chairman of the Board and for each of the other members of the Board (including work in Board committees)
 - d) election of Board members
 - e) election of Chairman of the Board
 - f) resolution on fees to the auditors
 - g) election of Election Committee, or resolution on principles for the establishment of the Election Committee, as well as resolution on instructions for the Election Committee.
5. Should a shareholder that nominated Liselott Ledin, Jan Andersson or Anders Oscarsson notify the Election Committee that this shareholder wishes the person it nominated to be replaced (e.g. because the person concerned is no longer employed), the Election Committee shall resolve that the person concerned shall leave the Committee.
6. Should a member leave the Election Committee before its work is complete and the Election Committee deems it necessary to replace this member, the Election Committee shall appoint a new member; in the first instance, where applicable, a member nominated by the shareholder that the departing member was nominated by, provided that the shareholder remains one of the five largest shareholders in the company.
7. Should a shareholder that nominated Liselott Ledin, Jan Andersson or Anders Oscarsson no longer be one of the five largest shareholders in the company, the Election Committee may resolve that the member nominated by that shareholder shall leave the Committee. In the event that Lottie Tham is no longer one of the five largest shareholders in the company, the Election Committee may resolve that Lottie Tham shall leave the Committee. In which case, and even in the event that the Election Committee resolves that a member shall not leave the Committee, the Election Committee may appoint a new, or additional, member; in the first instance, a member nominated by the shareholder that is now one of the five largest shareholders.

8. Should a shareholder invited by the Election Committee to propose a member decline to make a proposal, the Election Committee shall invite the next largest shareholder that has not previously nominated a member of the Election Committee.

9. Changes to the composition of the Election Committee shall be published as soon as possible.

**Resolutions proposed by the Board
DIVIDEND AND RECORD DATE, item 9 b**

The Board has proposed a dividend to the shareholders of SEK 9.50 per share. The Board of Directors has proposed Friday 26 April as the record date. If the resolution is passed, dividends are expected to be paid out by Euroclear Sweden AB on Thursday 2 May 2013.

PROPOSED RESOLUTION ON GUIDELINES FOR REMUNERATION TO SENIOR EXECUTIVES, item 15

The Board's proposed guidelines ahead of the 2013 Annual General Meeting differ somewhat from the guidelines adopted by the 2012 Annual General Meeting.

The term "senior executives" covers the Managing Director, other members of executive management, country managers and certain key individuals. The number of individuals covered by the term senior executives is currently around 40.

Compensation for senior executives is based on factors such as work tasks, expertise, position, experience and performance. Senior executives are compensated at what are considered by the company to be competitive market rates. Senior executives are also entitled to the benefits provided under the H&M Incentive Program.

H&M is present in more than 35 countries excluding franchise markets and levels of compensation may therefore vary from country to country. Senior executives receive a fixed salary, pension benefits and other benefits such as car benefits. The largest portion of the remuneration consists of the fixed salary. For information on variable components, see the section below.

In addition to the ITP plan, executive management and certain key individuals are covered by either a defined benefit or defined contribution pension plan. The retirement age for these individuals varies between 60 and 65 years. Members of executive management and country managers who are employed by a subsidiary abroad are covered by local pension arrangements and a defined contribution plan. The retirement age for these is in accordance with local retirement age rules. The cost of these commitments is partly covered by separate insurance policies.

The period of notice for senior executives varies from three to twelve months. No severance pay agreements exist within H&M other than for the Managing Director.

Pension terms etc. for the Managing Director

The retirement age for the Managing Director is 65. The Managing Director is covered by the ITP plan and a defined contribution plan. The total pension cost shall amount in total to 30 percent of the Managing Director's fixed salary. The Managing Director is entitled to 12 months' notice. In the event the company cancels the Managing Director's employment contract, the Managing Director will also receive severance pay of an extra year's salary.

Variable remuneration

The Managing Director, country managers, certain senior executives and certain key individuals are included in a bonus scheme. The size of the bonus per person is based on the fulfilment of targets in their respective areas of responsibility. The result is linked to the measurable profit targets (qualitative, quantitative, general, individual) set in advance within

their respective areas of responsibility. These targets also include measurable targets for sustainability. The targets within each area of responsibility are aimed at promoting H&M's development in both the short and the long term.

For the Managing Director the maximum bonus is SEK 0.9 m net after tax. For other senior executives the maximum bonus is SEK 0.3 m net after tax. Net after tax means that income tax and social security costs are not included in the calculation. The bonuses that are paid out must be invested entirely in shares in the company, which must be held for at least five years. Since H&M is present in markets with varying personal income tax rates, the net model has been chosen because it is considered fair that the recipients in the different countries should be able to purchase the same number of H&M shares for the amounts that are paid out.

In individual cases other members of executive management, key individuals and country managers may, at the discretion of the Managing Director and the Chairman of the Board, receive one-off payments up to a maximum of 30 percent of their fixed yearly salary.

Miscellaneous

The Board of Directors may deviate from these guidelines in individual cases where there is a particular reason for doing so.

RESOLUTION AMENDING THE BASIS FOR CONTRIBUTIONS TO THE H&M INCENTIVE PROGRAM (HIP), item 16

The H&M Incentive Program (HIP) is an incentive scheme aimed at all employees of the H&M Group. The decision to establish HIP was taken at an Extraordinary General Meeting held in autumn 2010.

The Board of Directors is proposing to the 2013 AGM a change in the basis for future contributions to HIP. Like the proposal to amend the guidelines for senior executives, the change involves removing the link to the increase in dividend. Instead it is proposed that the basis for future contributions to HIP shall be 10 percent of the increase in the company's profit after tax between two successive financial years. The increase in profit will be calculated on profit after tax before any contribution to HIP. Thus when calculating the contribution to HIP for Year 2, the year's profit after tax is compared with Year 1's profit after tax before any contribution to HIP. This ensures that the two years are compared on a like-for-like basis; in other words, profit after tax before any contribution to HIP.

The contribution to HIP for a financial year will be expensed in the year to which it relates. Example: Profit after tax in Year 1 is 100. Profit after tax in Year 2 is 130. The contribution is then 3 and is expensed in Year 2.

Like the current system, the proposed new system will again include a ceiling that limits the size of the contribution when the increase in profit between two years may be deemed disproportionately large. Again, it is proposed that the link to the dividend is removed and that the limit is instead reformulated as 2 percent of profit for the year after tax before any contribution to HIP.

The reason for changing the basis for future contributions to HIP is to link the contributions more directly to the profit achieved by the company. This should better reflect the employees' efforts during the year and should also be easier for employees to understand compared with the current system, which is based on the dividend decided by the Annual General Meeting.

The proposed new system will be more or less cost-neutral for the company compared with the present system.

If the 2013 AGM approves the proposal, it is possible that the first contribution to HIP based on an increase in profit could be made as early as for the financial year ending on 30 November 2013.
